

SUMMER FELLOWSHIP PROGRAM 2023

WHY CHOOSE MMRI?

THE 2023 SUMMER FELLOWSHIP PROGRAM:

The Summer Fellowship Program at MMRI provides research experience for undergraduate, graduate, and medical students. The ten-week program is designed to educate and instill scientific curiosity in participants while providing training in biology, physiology, molecular biology, genetics, chemistry, drug delivery, nanomedicine, and other life sciences.

TO BE ELIGIBLE:

Students must have completed at least one year of undergraduate coursework.

TRAINING PERIOD:

The training period will run from May 22, 2023 through July 28, 2023 with a \$5,000 stipend provided.

QUESTIONS:

If you have any questions about the program, please email: sf@mmri.edu.

Deadline to Apply:

February 28, 2023
